Competition Date: **12 May 2026**

The Kancil Science Competition is an exciting national contest for primary, secondary, and pre-university students. It encourages students to think critically, solve problems, and apply their scientific knowledge creatively. Kancil also serves as a selection platform for the International Junior Science Olympiad (IJSO), giving young science enthusiasts the chance to represent Malaysia on the global stage. Since its launch in **2018**, the competition has continued to grow, with over **31,000 students** participating in 2025!
